Internship Certificate

Dear Rihil Sanghai,

Internship Domain : Python(Django)

Welcome to Rutilant Technology!

To whom it may concern,

We are delighted to provide this certificate for the successful completion of the requirements and work performed during the six months of free internship from 1 July 2022 to 30 Dec 2022.

In this internship tenure, we have covered the fundamentals of the python along with an understanding of program. We have also worked on Rust language for better understanding of smart contract.
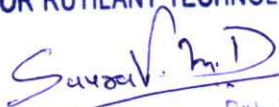

We wish all the best for future endeavours.

Sincerely,

Mr. Saurav Dadhaniya

Director
